DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States flew at half staff at the Kennedy Space Center on September 2, 2005, in honor of Patrol Officer Gordon Sam George, a security officer with SGS. Patrol Officer George died on August 30 and his memorial service was September 2. (TA-G)

FLAGS AT HALF STAFF: The flags of the United States flew and are flying at half staff at the Kennedy Space Center in compliance with the Proclamation by the President, as a mark of respect for the victims of Hurricane Katrina, from September 4 through sunset, September 20, 2005. The flags are also flying at half staff in compliance with 36 U.S.C. (171 - 178), Sec. 3(m), and Public Law 94 - 344, from September 3 through September 13, which requires the flags be flown at half staff for ten days, from the day of death of a Chief Justice of the Supreme Court as a mark of respect. Chief Justice William H. Rehnquist died on September 3. The flags will also be flown at half staff on September 11, Patriot's Day, as directed in 36 U.S.C. Sec. 144, in honor of the individuals who lost their lives as a result of the terrorist attacks against the United States that occurred on that date in 2001. (TA-G)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

SAVE THE DATE: **Saturday, October 29, 2005**, 6:00pm to 12:00 midnight, Holiday Inn Express Convention Center, Cocoa, Florida. Just the right time to kick up your heels, pass out those dance cards, celebrate STS-114's successful mission, your birthday, your Mamma's birthday...gear yourselves up to shake, rattle and roll to the sounds of D.J. Sam Riveria. Lots of fun, loads of food! Put on your desk calendar, wall calendar, blackberry and whatever technical gadget you have and **"Save the Date,"** for our 2005 KSC Diversity Month Celebration - Remember the Theme: Diversity....."We All Smile the Same Language"

Soon to be Released Website: <http://www.hewp.ksc.nasa.gov>

SEPTEMBER 2005 FOOD SAFETY: September is National Food Safety Education Month. Not only is it important to know how to properly handle food on a day-to-day basis, it is also important to know how to handle food and water during power outages and when in outdoor environments, particularly during hurricane season.

Hardcopies of the packet are available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The food safety packet will also be available on the *soon-to-be released new HEWP website*: <http://www.hewp.ksc.nasa.gov>. It is expected that the new website will be live by mid September.

FUEL 4 WOMEN

The KSC/CCAFS HEWP has launched a new women's health program titled *Fuel 4 Women*.

***Fuel 4 Women* Newsletter:** This month's *Fuel 4 Women* newsletter is on menopause. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

****Fuel 4 Women Special Event:*** Wednesday, September 21st from 9:00 am.-1:00 pm at the OHF Training Room the Florida Osteoporosis Board will be providing free bone density screenings (Sahara heel ultrasound) to all spaceport employees.

Screening Recommendations: According to the National Osteoporosis Foundation, all men and woman 65 years or older should be screened. All postmenopausal women younger than 65 presenting with fractures, all postmenopausal women younger than age 65 with one or more risk factors for osteoporosis, and women on hormone replacement therapy for prolonged periods are also recommended to get a bone density screening. In addition to women, men younger than 65 should get a bone density screening if presenting with fractures from little trauma, or have other significant risk factors for osteoporosis.

***Fuel 4 Women* List Serve:** All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at **Jessica.Crews@jbosc.ksc.nasa.gov** for more information about or ideas for *Fuel 4 Women* and to join the list serve.

NEW EXTERNAL HEWP WEBSITE: The HEWP website will have a new look and will be available outside the KSC firewall! This means that you can access the HEWP website from anywhere on the web. The new website is expected to be live by mid September and will be located at <http://www.hewp.ksc.nasa.gov>.
